

Certificate of Analysis

Promecens Chitosan Hydrochloride (Water-Soluble)

Product Name: Chitosan – Water Soluble

Batch No.: CH/02/2025

CAS No.: 70694-72-3

Date of Manufacture: May 2025

Expiry Date: April 2028

Manufacturer: Promecens Entosystems Private Limited

Test Results

Parameter	Specification	Result
Appearance	Off-white/light brown powder or flakes	Off-white or cream powder
Purity	95% – 100%	98.5%
Viscosity (cS)	1 – 20 cS	1.3 cS
Water Solubility (1g/100ml, RT)	Soluble (with stirring)	Passes
pH (1% solution in distilled water)	2.0 – 5.5	3.40
Solubility in DM Water	8% – 10%	9.89%
Insoluble Matter in Water	Max 1%	0.10%

Remarks

The product **meets all required quality specifications** and has passed comprehensive quality testing for solubility, viscosity, and purity.

Authorized Signatory:

Abhinav Chauhan
